Every kid can be an artist!

Turn simple shapes into **100 adorable drawings**. Each page breaks a picture into a few easy steps — new lines are dark and the lines already drawn are light — so little artists always know exactly what to draw next.

- **100 drawings** in 10 fun themes: pets, wild animals, sea creatures, bugs, food, vehicles, nature, space, dinosaurs & magic, and toys
- **4-5 simple steps** for every drawing
- A big **"Your Turn!"** practice space on every page
- Large 8.5 x 11 in pages — perfect for crayons, markers and pencils
- A **Super Artist certificate** to celebrate at the end

Builds confidence, focus and fine motor skills — a perfect screen-free gift for ages 3-8.

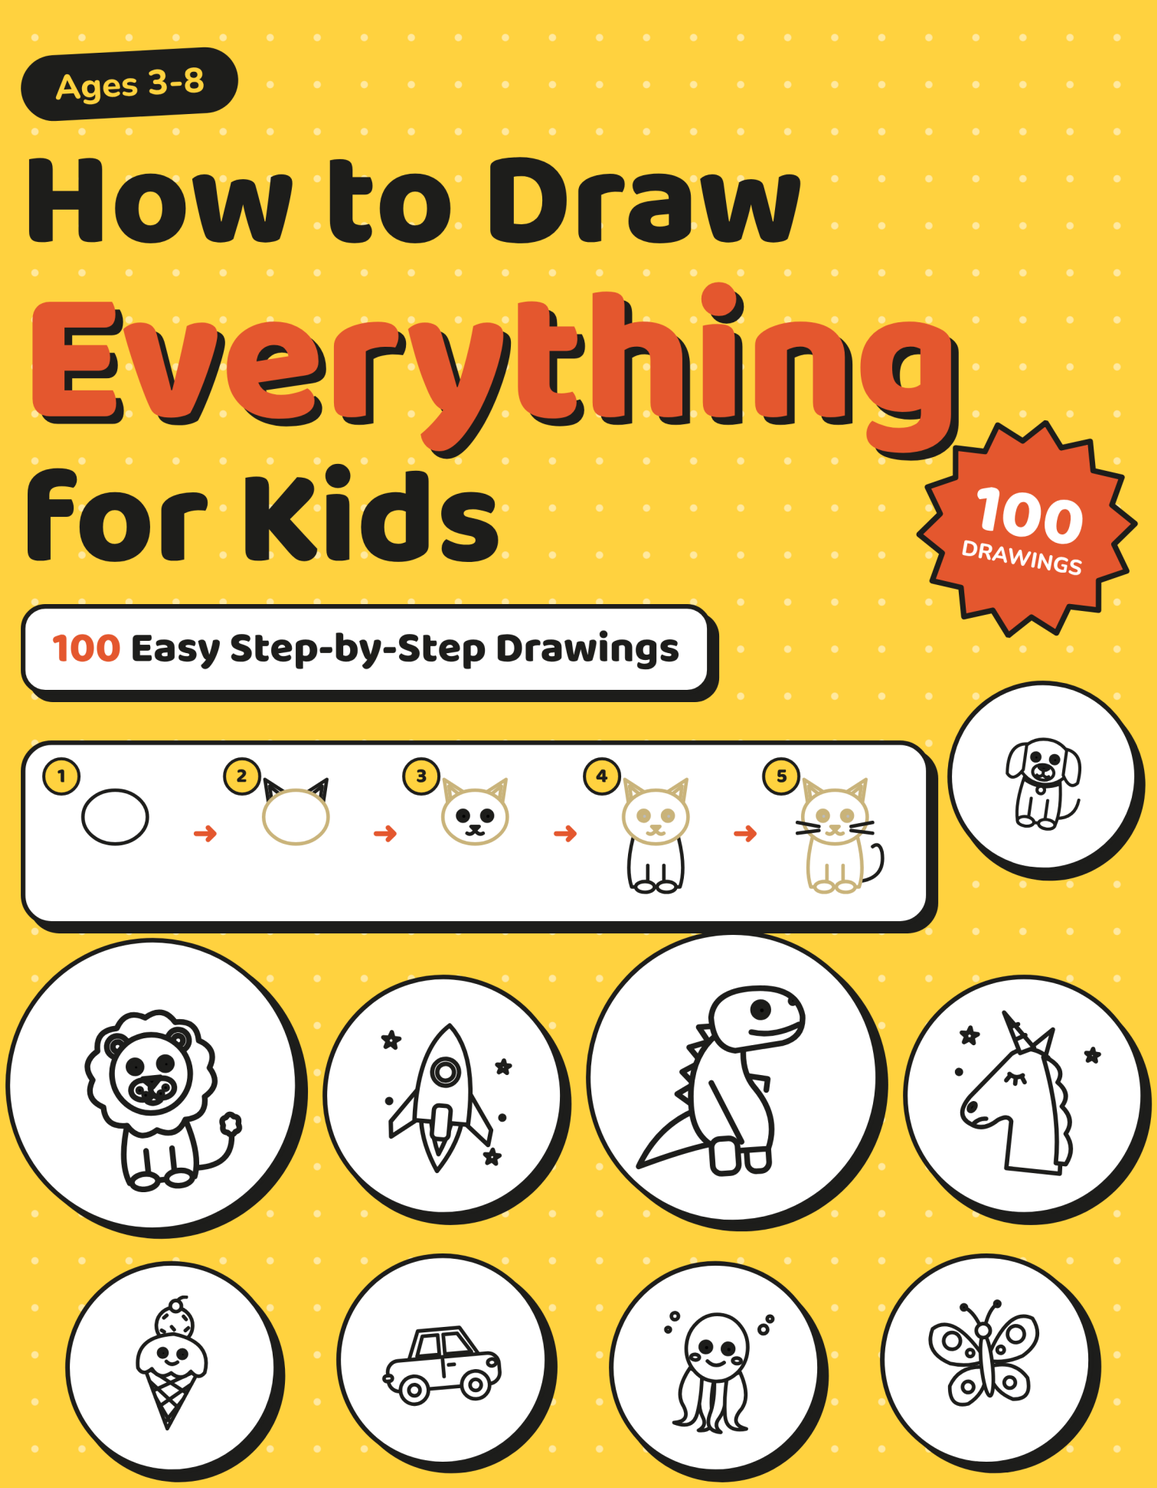

Perfect for birthdays • road trips • rainy days • classrooms • quiet time
